Workplace seating, shaped by the room.

Original project photograph / Tempe, Arizona

TEMPE, ARIZONA

Microsoft workplace

Workplace banquettes documented by US Booths, in collaboration with Willmeng Construction.

DETAILS IN VIEW

- Tall vertical-channel backs.
- Tan upholstery and a wood-front base.
- Outlets beneath selected seating.

Shown in this installation. Power requirements need building-specific review.

PLAN YOUR PROJECT

01 Wall dimensions and both heights

02 Tables, circulation and site access

03 Quantity, material and delivery ZIP

Label overall height separately from the finished seat height.

Plan your workplace seating.
